## THANK YOU

*your sponsorship matters*

By showing your support for New Hope-Solebury School District's Asplundh Stadium, you are helping to build a facility that will improve the experience for our young athletes and for the students, families, alumni, and community members who support them. Being part of a team and feeling connected to your school is critical to the student experience. After twenty years, let's give them a place to call their own.

We will reach out to discuss event details & recognition requirements upon receipt of your completed sponsorship form.

*All proceeds benefit the construction of the New Hope-Solebury School District stadium complex.*
