

RESERVE YOUR WEDDING  
AT RIVER HOUSE

Set the stage for the moment when you say 'I do' with sweeping views of the Delaware River and Lambertville landscape at New Hope's newest & most luxurious wedding destination.

Begin your special day with a riverside ceremony before immersing your guests in a highly stylized cocktail hour with plush, curated furnishings, bold murals, layered antique architectural elements including refurbished wood & brick, and full-length glass doors providing dramatic river views.

Continue your evening in the open-concept ballroom which celebrates the glamorous design & vintage flair that French artist and original owner Odette Myrtil Logan evoked with a 1950's aesthetic. Further enhancing the timeless style are custom antiqued wall coverings featuring embedded musical scores & love letters inspired by Odette Myrtil and floor-to-ceiling glass doors that open to a private veranda where you & your guests can enjoy refreshing river breezes.

As you embark on a lifetime of your own traditions and memories, we invite you to begin your journey at River House.
